

Hello Sailor,

Please find attached the Easter newsletter which includes this year's draft plans for a mini-rally based in Lymington and timed to coincide with the Southampton boat show. Also attached is an up-to-date spreadsheet which has a page for members and a page for their boats.

To assist us with the bookings of the locations please let us know of your intentions as soon as possible, preferably by mid April, mentioning if it is definite or provisional and whether you wish just to attend the weekend or possibly also the subsequent trip to Island Harbour Marina on the Tuesday. Please note that a deposit will be required to be paid in advance which will equate to the cost of the main club dinner (refundable up to one month ahead of the date).

Further details will be sent out in due course.

In the newsletter are also two interesting articles written by members - please do keep these coming in, together with any questions for members or tips or experiences that you have had.

With best wishes for a good Easter,
Ingvar Svenson (commodore)
