

Hello Sailor,

Please find attached our summer newsletter.

The two additional forms are only for those attending the September rally at Lymington. As explained in the newsletter those berthing at Berthon will be required to fill these in by mid July to guarantee a mooring there.

Finally, as also mentioned in the newsletter, to reserve your place at the dinner table please send me your dinner deposit by July 17th together with your menu choices.

Do keep your 'life on the ocean wave' articles coming in.

This time we have one of our member's experiences from down in the Mediterranean aboard their '45.

With best wishes,

Ingvar Svenson (commodore).
