

Hello Sailor,

Please find attached our Christmas 2017 newsletter in .pdf format. If anyone is unable to read it please let me know and I will send it in its original .docx format.

As well as a review of this years mini rally, is a mention of our 2018 'Cruise in Company' departing June 29th. As well as regular favourites such as Weymouth, Dartmouth, Salcombe, Fowey and Falmouth, amongst other possible destinations we hope to explore the visitors moorings of Teignmouth and the River Yealm and the anchorage of Dandy Hole (a favourite of our previous Commodore Tony).

There unfortunately has only been one contribution from other members this time round, so for our summer newsletter do please submit any personal experiences or grumbles (surely the Commodore is not the only Grumpy Old Man around says his wife), interesting voyages, sales and wants, technical information or tips for sharing with the other members. It should really be your newsletter - not mine!

With the very best wishes for a Happy New Year together with some pleasurable boating therein.

Ingvar Svenson (Commodore).
