

Hello Sailor,

Please find attached our Summer 2018 newsletter in .pdf format. If anyone is unable to read it please let me know and I will send it in its original .docx format.

This year's 'Cruise in Company' departs on the weekend of June 30th / July 1st, and as well as plans to visit regular favourites such as Poole, Weymouth, Torquay, Dartmouth, Salcombe, Fowey and Falmouth, amongst other possible destinations we hope to explore are the visitors moorings of Teignmouth and the River Yealm and the anchorage of Dandy Hole (a favourite of our previous Commodore Tony).

After my plea in our last newsletter for contributions from other members, I am delighted to be able to include some technical information from Eric Richardson and from Nichola Lane, as well as dolphin deliberations from Bob Stevenson and two separate accounts of adventures of those intrepid Aquastar 33s, one from David & Hazel Lewis and another from Paul Blampied.

Please do keep the information and articles coming in on your interesting voyages and experiences together with technical information or tips for sharing with the other members. These are of course what helps make the newsletter interesting reading.

With the very best wishes for a pleasurable boating season,
Ingvar Svenson (Commodore).
