

Hello Sailor,

Please find attached our Christmas 2019 newsletter in .pdf format. As before if anyone is still unable to read a .pdf please let me know and I will send it in its original Windows .docx format.

My plea in my last newsletter for contributions from members has had a remarkable result – we have received no less than 4 contributions from members and these are included.

These submissions are of course what helps make the newsletter interesting reading, so do please continue to send in articles of interesting trips, experiences, problems and technical tips – my next edition will be the customary summer one (I really may run out of things to say one day!).

As always, if anyone wants me to mention anything in a newsletter as well, whether a query, or to advertise something, do please let me know.

Also don't forget there is the 'Wanted & for Sale' as well as the 'Member's Forum' sections of the club website for you to use.

With the very best wishes for a Happy New Year,

Ingvar Svenson (Commodore).
