

Hello Sailor,

With apologies for the slight delay due to the process of moving house (for the first time since 1983) please find attached the Christmas 2024 newsletter in its usual .pdf format.

Though we have only one article contributed by another member this year, it is a very interesting one from Brian Ferguson on the new Carteret Marina.

These articles from members are of course what helps make the newsletter interesting reading, as well as giving you a break from my scribbling, so do please continue to send in reports of interesting trips, experiences, problems and technical tips for sharing.

Our plans for next year's Cruise in Company is for Star to meet up with Onar around June 5th at or near Yarmouth, and thenceforth 'Go West'.

We would be delighted if other members would be able to join us then for some or for all of our cruise. Do please register your interest with me as soon as you are able to do so, if possible by the end of March.

Finally, as always is if you ever do sell your pride and joy, after notifying me, do please enlighten the proud new owners about the existence of our club.

With best wishes for 2025, together with plenty of 'blissful boating',
Ingvar Svenson (Commodore).
